THE LAMP
1969

Friends Academy
Locust Valley
New York

The murmuring of many voices,

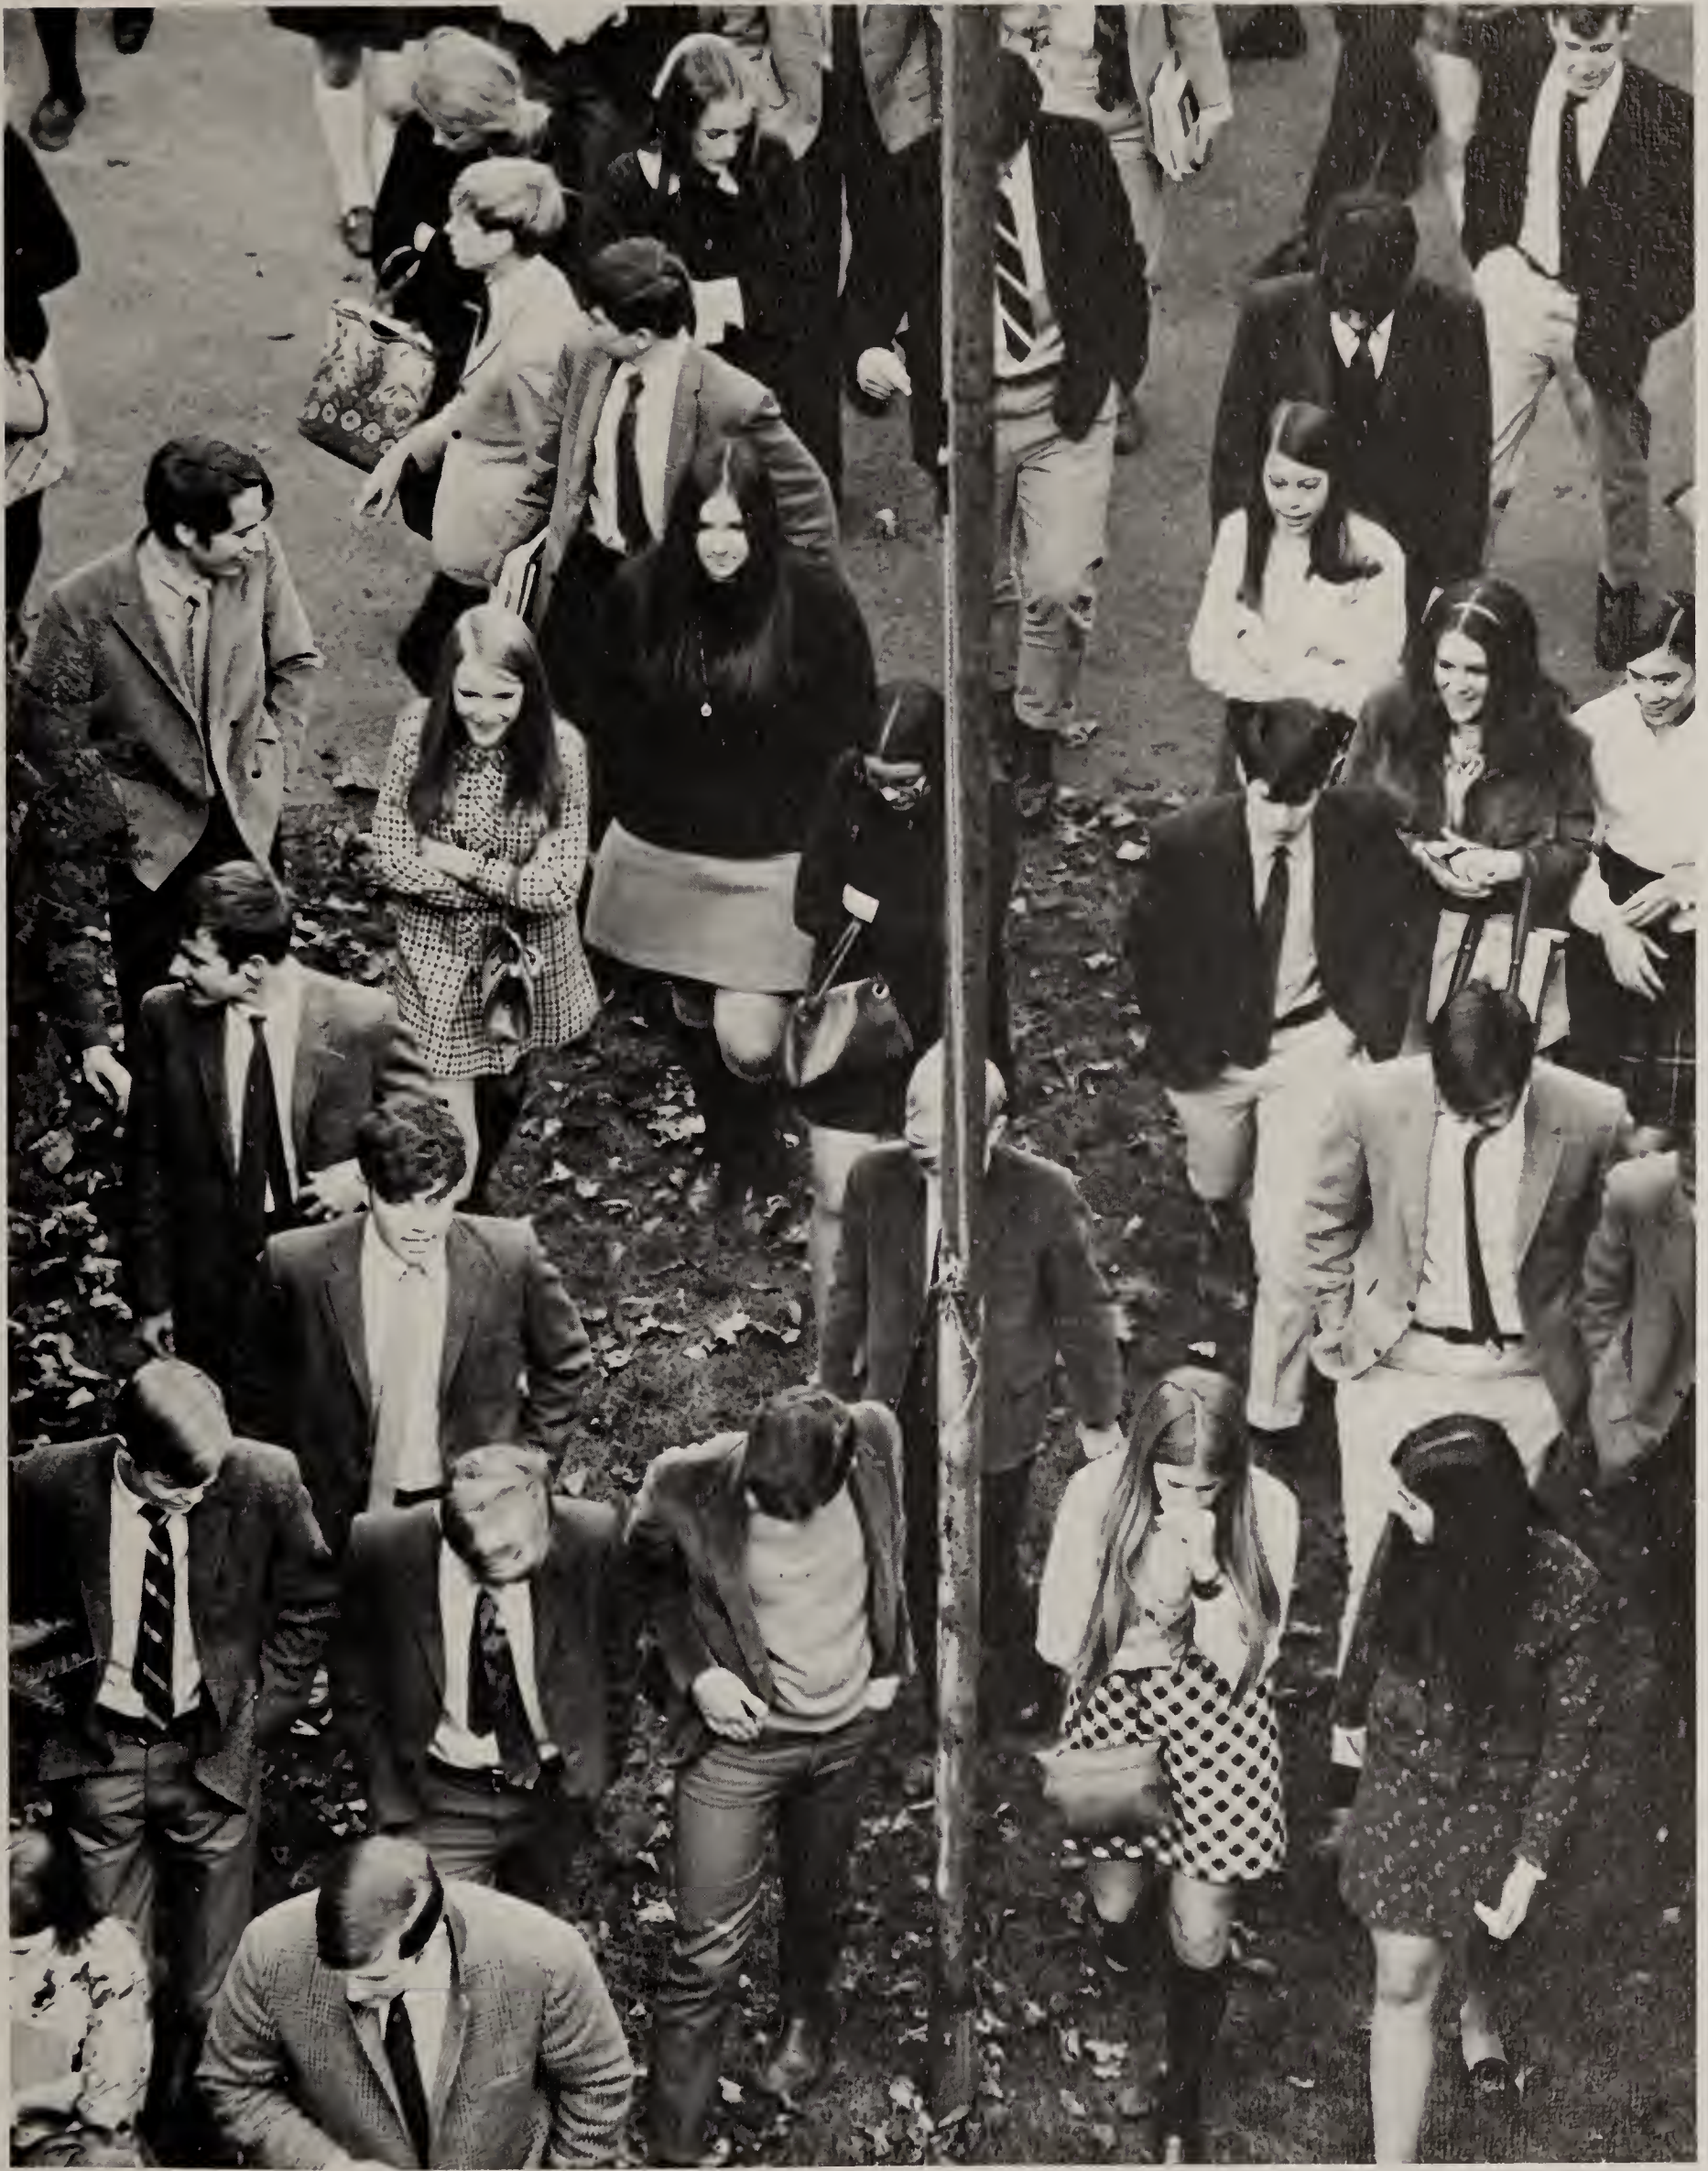

the upturning of many faces,

the pressing on of many footsteps
in the outskirts of the crowd,

so that it swells forward in
a mass, like one great heave
of water,

all flashes away

Mrs. Schmidt, as we Seniors leave,
we find it appropriate to dedicate
the 1969 *Lamp* to you. Our thoughts
turn back to the days of:

“terms”

“meat-grinders”

“talking to trees”

“We’re going to write today”
the blue test dress

and, we think the time is long
overdue for us to say, “Thank You,
Mrs. Schmidt, you’ve been a
patient and dedicated teacher,
and always a friend.”

We also acknowledge
Mrs. Giles for her
devoted service
as principal of Lower
School for 28 years.

You pray in your distress
and in your need; would
that you might pray also
in the fullness of your
joy and in your days of
abundance.

I cannot teach you how to pray in words.
God listens not to your words save when
He Himself utters them through your lips.

The Lamp
Staff

A black and white photograph of a dog, possibly a Weimaraner, standing on a narrow metal beam or walkway. The dog is facing the camera with its mouth open, showing its teeth. The beam is supported by vertical posts on either side. The background is a bright, overexposed sky.

From Murphy

Not only would the echoes of
away, as though the steps had
gone; but, echoes of other steps
that never come would be heard
in their stead, and would die away
for good when they seemed close
at hand.
